Participative Learning

5th September 2019

Teacher's Day was celebrated on the occasion of Birth anniversary of India's Second President Dr. Sarvpalli Radhakrishnan. On this day two representatives from all classes performed the role of teacher and taught the subjects. Similarly, some students took management games and explained their concepts.

A small program was organized by the students for all the teaching and non-teaching staff. Some of the representative students who played the role of teachers today shared their thoughts. They also thanked all the professors by giving flowers on the occasion of Teacher's Day.

Hon. Principal interacted with the students on behalf of all the professors. He expressed his gratitude to all the students by telling them a story about the 'Guru-Shishya' tradition and the relationship between teacher and student. The program was organized by Ms. Tripti Shinde and Ms. Nikita Takalkar, a third year commerce student.
