ay, there was a boy who sat near the river. He was alone & eating biscuits. There was a man sitting by, he just asked, what is your name? The boy replied, 'My name is MS. Dhoni.' Man asked, 'Why did you sit here?' He said, 'I was thinking about my life, my dream'. I am very confused, what to do? I am in the school right now, studied in 10th std. But after 10th, what next? Man said, 'Don't worry MS, I will help you.' You can share with me. ^{John} ~~meanwhile~~ here comes my dog Sheru. I love my dog. What are the things that you loved? MS. Dhoni said, 'I love gold. I like to wear gold ring, gold chain.' Man said, 'ohh, that's nice'. But day by day, gold rates are increasing. In India, people can't even think to buy gold ~~things~~ ornaments. If I want to purchase anything in gold, I take out some money from ATM.' MSD, 'Yes uncle, my father do the same'. But uncle, why our india is like this? What do you mean MSD? man said. MSD, 'I mean, I was thinking about society. There are many questions in my mind. If you want to do something for yourself, first you have to think about the society, what will people say? If you have communication problem, people laugh at you. If you have to fulfill your dream, you think hard. To ~~be~~ make your dream come true, is not that easy. You have to face many problems.' Man said, 'Yes MSD, you are absolutely right. I can understand that, what you are trying to say. But you know what, if you want to fulfill your dream, if you want to enjoy in life, you have to sacrifice many things for that. & that's life. People can only advice you, but they can't help you in ~~to~~ to fulfill you dreams. Even your school friends are also not stay with you forever. So just don't think about anyone. You just focus on your dream, your study & to those things in which you are weak like communication problems etc. I wish you best luck.' Man said 'Thank you uncle. its really nice to meet you'.
