Society Profile

Maharashtra Girls' Education Society was established on **2nd October 1884**. It was a milestone created for girls' education. Following the direction given by the Social Reformist Mahatma Jyotirao Phule and his revolutionary wife Savitribai Phule, M.G.E. Society was honored to establish HUZURPAGA, the Second school for girls in Maharashtra.

M.G.E. Society was established with the concerted efforts of Justice Madhav Govind Ranade, Dr. Ramkrishna Gopal Bhandarkar, Shree Shankar Pandurang Pandit and Shree Vaman Aabaji Modak. Their vision was to introduce modern education to Indian girls which will enrich and empower their lives. Therefore, Huzurpaga School was established in 1884 which encouraged culture, discipline and provided a secure environment to the girl students. Since the past 141 years, we have explored and experienced a successful journey.

From its very establishment, this 'Sacred Pillar of Light' (Deepmal) is shining in the field of education in Pune. During its inception a 'Secondary School' was established at a time when in India only primary level schools were functioning for girls.

Classes were conducted at 'Walvekar Wada and Sardar Kibe Wada.' In 1885 Tatyasaheb Patwardhan, ruler of the Princely State of Sangli offered his Land on Laxmi Road on lease for 99 years, which was later purchased by M.G.E. Society. We have had the honour of having our late Prime Minister Mrs. Indira Gandhi, residing at our hostel for a few months as a student. Our girls have made their mark in different fields like Art, Literature, Drama, Music, Education & Social Service.

Today the Society provides quality education to girls' right from K.G. to P.G. Around 10,000 students are studying in various institutions run by the M.G.E. Society. It did not restrict its school and colleges to Laxmi Road but also opened a branch at Katraj and Magdewadi. Education is provided from KG to Sr. College level. When a need for modern English medium School was identified, the Society started an English Medium School in 2010 on Laxmi Road and 2011 at Katraj

The M.G.E. Society, keeping in mind the need to develop women and believing in women empowerment through quality education, established a Senior College in Commerce in September 2001. Besides this, envisaging a requirement for 'professional touch' in education and 'industrial adaptability', BBA was established in 2005 and BBA (CA) in 2008. The society has started M.Com. in the academic year 2024-25. BBA Programme comes under the AICTE ambit from academic year 2024-25.

COLLEGE PROFILE

VISION :

Carrying a rich legacy of 141 years in the field of Girls' education, M.G.E. Society's Smt. Durgabai Mukunddas Lohia Mahila Vanijya Mahavidyalaya, Huzurpaga stands to impart modern quality education to girls for ensuring their empowerment and self-reliance.

MISSION :

Our Mission is

- To offer a wide variety of curricular, co-curricular, and extra-curricular activities for transforming our students into a balanced personality.
- To develop courage, confidence, and competitiveness in the changing global scenario.
- To create intellectual power that could enable the students to make a positive difference in the society.
- To develop socially responsible, sensitive and committed citizens.

The college is affiliated to Savitribai Phule Pune University and is recognized by the Government of Maharashtra. It is located in the heart of the city and provides 'Quality Education' in Commerce and Management in a secure environment. 'Quality' and 'Huzurpaga' are inseparable and this fact is known to all. The MGE Society constantly encourages and supports the college and provides it with the latest infra-structural facilities. A homely, yet disciplined hostel facility is also available for students and is located in the same campus.

In 2001 the college started with a good number of students with two divisions. Later on after getting a tremendous response, we have expanded and now have around one thousand plus students. Besides B.Com degree we also offer BBA and BBA(CA) degree courses.

From the Academic Year 2024-25, NEP 2020 will be implemented in Commerce & Management. BBA & BBA(CA) will come under AICTE

College Activities

A) ACADEMIC ACTIVITIES :

We impart education to students to attain academic excellence as well as develop their personalities. Students understand the meaning and scope of the subjects and get in-depth knowledge of the same. Besides this, we also have the following activities :

B) CURRICULAR ACTIVITIES :

1) INDUCTION: This is a unique and an innovative feature of our college. Information of the college, its discipline, rules and regulations, different committees, activities conducted are explained to the students.

2) GUEST LECTURES : Every year we invite subject experts from different fields as resource persons for Guest Lectures. These Lectures help students to gain in-depth knowledge of the subject and the latest trends. This keeps the students updated.

C) CO-CURRICULAR ACTIVITIES :

1) Sports and Physical Education : Our college encourages and promotes talented students in the field of sports. Discipline and excellence in sports are special features of our college. Maintenance of physical and mental fitness is ensured through our well equipped Gym with latest instruments. The college also has a Badminton Court, Volley Ball ground and a Basket Ball court. Every year girls from our college participate in the Inter collegiate, Inter - zonal, State, Inter University and National Level Competitions. Every year in January, an interclass sports festival (Krida Mohatsav) is organised to encourage our students to participate in sport activities.

2) N.S.S.(National Service Scheme) : N.S.S. unit consists of 200 volunteers. 'Not Me but You' is the motto and we firmly believe in it. Students learn the value of service to others. A seven day special winter camp is held every year. We conduct various activities under this scheme, such as cleanliness drive, blood donation camps, organizing medical camps, visiting orphanages etc. Our students engage themselves in social work for a minimum of 120 hours in the regular N.S.S. activity. This results in developing a good sense of social responsibility.

3) N.C.C. (National Cadet Corps) : The College has a unit of NCC attached to the second Maharashtra Girls Battalion. NCC provides a platform to explore students leadership qualities and develop their personality. Many of our students have attended National Level Camps and have cleared the B and C certificate examinations.

4) Art & Culture

Under this, the committee organizes dance, dramatics, elocution workshops, competitions etc. Students are encouraged to participate in the renowned intercollegiate competitions like Purushottam Karandak, Firodia Karandak, Sakal Karandak and Sinhgad Karandak etc. Every year the Annual Social Gathering and Prize Distribution is organized to celebrate students success in academics & extra - curricular activities.

5) Board of Students Development : This department conducts activities like Disaster Management Workshop, Personality Development Program, Nirbhay Kanya Abhiyan, Kanya Ratna Vachwa Abhiyan under which guidance is provided in developing leadership qualities, self defence etc.

The Earn and Learn Scheme is granted to the college by the S.P.P.U. Many students have benefitted through this scheme. Students work in our Computer Lab, College Office, Library, Gymkhana etc. They get work experience along with some financial help under this scheme.

6) Institutional Innovation Centre (ENTREPRENEURSHIP DEVELOPMENT CENTRE)

The college has started this centre for students who are seeking to be self employed or interested in starting their own business. Lectures and workshops are organised and a platform is made available to exhibit and sell their products. They are encouraged to become Entrepreneurs.

7) Internship Cell : The college has an Internship Cell guided by Savitribai Phule Pune University (SPPU). Third-year students are required to complete an internship related to their specialized subject. To support this, the institution has partnerships with banks and financial institutions, along with assistance from SPPU.

8) Career Guidance :

Industry Experts are invited to guide our students to make the best possible choices regarding their careers, different opportunities available in various fields, educational qualifications and skills required for the same are also explained to them.

8) Soft Skill Development Program :

This is conducted every year for the T.Y. B.Com students. It helps to enhance their communication skills, develops their personality and makes them confident. It grooms, polishes and prepares them for the future.

9) Competitive Exam Guidance : Guidance is provided to those students who are seeking to crack various Entrance exams like CET, UPSC, MPSC, etc.

10) Student Council : A Student Council is formed every year. Meritorious students with leadership qualities are chosen and appointed as Class Representatives. These members help to arrange various programmes in the college. They also act as a link between the faculty and students.

11) Management Week : The college conducts a 'Management week' and 'IT Week' every year for the B.B.A. and the B.B.A. (CA) students. It prepares them for the corporate world. Various activities, games, sessions and lectures are organized on topics like self awareness and analysis, image building, career streaming, goal setting, entrepreneurship development, manners and etiquettes and so on. It is conducted by professional and corporate trainers. It helps the students to develop their personality, improve their communication skills, know themselves better and lead a successful well balanced life.

12) Business Day : Girls are encouraged to participate in the Business Day. Here stalls are put up by the students where they sell various products right from bindis, gift articles, snacks, imitation handmade jewelry etc. They are inspired and encouraged to become entrepreneurs. They learn management skills, costing, marketing, communication, team work, budgeting and also enjoy the profits.

13) Industrial Visits : The B.Com and B.B.A. students are given industrial exposure through conduct of industrial visit. They have to prepare projects & practicals based on these visits. Internship is mandatory for both the third year students.

14) Commerce Lab : Girls are encouraged to prepare wall papers on various subjects. These are then displayed in the Commerce Lab. Allied projects are also available for reference. Also various models prepared by students are exhibited here.

D) EXTRA-CURRICULAR/EXTENSION ACTIVITIES :

1) Business Ethics Club

Every year the college conducts a course on Value Education in association with Business Ethics Club. The main aim is to inculcate moral values and develop professional ethics among students.

2) Bahishaal : Under this department, we organize Babasaheb Jaykar lecture series in association with the S.P.P.U.

3) Seminars and Workshops : Our college arranges various workshops for students development and enrichment of their personalities. Lectures and Discussions on topics such as Health, Law, Women's Empowerment, Information Technology etc. are conducted.

4) Green Club

Following the guidelines set by the Government of Maharashtra, our college has established the Green Club (Ref. No. Green Club Faculty Coordinator-2023-Pune region, letter dated 14/09/2023). This club actively conducts various environmental activities and certificate courses, encouraging student participation in sustainability efforts.

Students also take on leadership roles within the club, organizing and engaging in all its programs. Their involvement helps promote environmental awareness while developing teamwork and organizational skills. It is formed for Environmental Awareness. Workshops and other activities are organized under it.

5) Career Katta

Career Katta is an initiative of Department of Higher & Technical Education, Govt of Maharashtra and in coordination with Maharashtra Information Technology Supports Center. The college is a member and encourages students to participate and attend courses / lectures conducted by them. It is beneficial to the students career development .

6) Huzurpaga Center for Human Excellence (HCHE) - HCHE organizes guest lectures, workshops, seminars, conferences and field visits. Students are not only trained to imbibe good tendencies but they also inculcate soft skills and life skills. The HCHE program is designed to inspire students towards self-discovery and personal transformation. It organizes weekly lectures and interactive sessions to build character, develop life skills, and provide opportunities to connect with experts from various fields. Additionally, it helps volunteers gain organizational skills, fostering a supportive and enriching environment for students. The Guest Speakers cover a wide range of valuable topics aimed at personal growth and self- improvement.

7) Industrial Visit - Additionally, it collaborates with industries to arrange field visits, ensuring students gain valuable practical experience.

E) INTRA COLLEGE COMPETITIONS :

We arrange different competitions for students with a view to give scope to their talent. We arrange competitions like poster making, painting, rangoli, mehendi, hairstyle, cookery, dance, statue, Miss Smt. D.M.L.M.V.M.H, quiz, essay competition, elocution, debates etc.
